## ASSUMPTION UNIVERSITY ANTHEM

Lyrics by : Thomas Khng

Music by : Lian Sek Lin

Arranged by : Capt. Veeraphan Vawklang

From every corner of the land

We come to pursue truth

For Integrity, and progress we Stand

And learning's sterling worth

Up lifting virtue of mind and hand

With the glory of our Youth

We are the salt of glorious earth

No task is too hard to do

For Assumption and the land of our birth

We remain ever loyal and true

For excellence in all realms of effort

We give Assumption its due

\*Assumption is

the Light that leads

Our youth to knowledge sure

Ever mindful of all our needs

It brings us to learn-ing's shore

Ennobling our academic deeds

Making our future secured!

(repeat \*)

## **Dean's Welcome Remarks**

It is my great pleasure to welcome all students to the Graduate School of Human Sciences. I may take this opportunity to provide you with the necessary information for the beginning of your study.

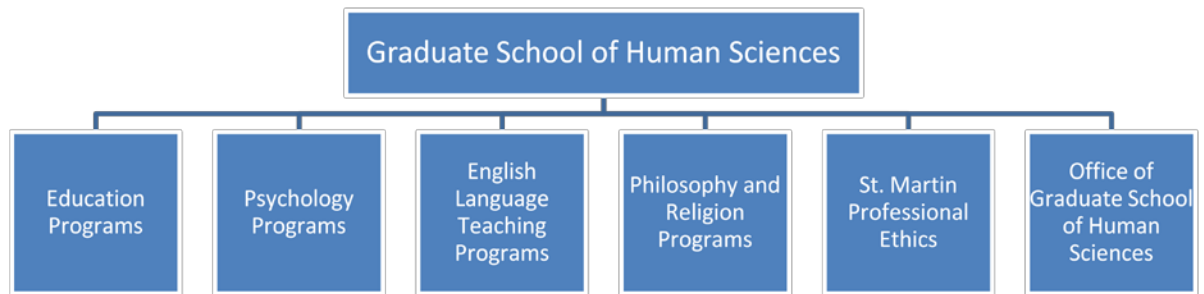

1. Students are required to study the Study Plan of the Programs. This document tells you what courses students should study in what semester of the year throughout the program. It is important that each of the required courses will be open only once a year in certain semester. The missing of registration of certain courses in the due semester will result in waiting for another year to register such missed courses. Hence it will delay the student's graduation in the time frame.
2. Students who failed in the English entrance test are required to register for the course AWC 2000 Upper Intermediate Academic Writing Course. The students who took and passed AWC 2000 will be considered as meeting the graduation requirement in English proficiency.
3. Students are required to comply with standard practices as specified in the "Rules and Regulations for Graduate Programs in the Graduate School of Human Sciences".

If you have questions please contact Dean, Program Directors, all faculty members and all of administrative officers for needed assistance.

Finally, I wish all of you the happiness and the great success in your study.

Associate Professor Dr. Suwattana Eamoraphan  
Dean, Graduate School of Human Sciences

**Graduate School of Human Sciences Announcement****No. 002/2020****Subject: Rules and Regulations for Graduate Programs of Education**

-----

In order to manage the process of teaching and learning efficiently and effectively, the following rules and regulations are in effect concerning practices of students and faculty members:

**Registration and Courses**

1. Registration in each semester: students should register for the courses listed in the plan of study specified for each program in order to graduate within the timeframe. Missed registration for any course will result in waiting for one more year in order to study the course, which will be open in the same semester of every year.
2. Program directors will determine the number of the courses students can register for each semester. The registration form must be signed by the program director as the approval of the registration. The copy of registration must be submitted to the program director.
3. The Dean will announce the registration period for each semester. Students failing to register within the announced period are required to pay late registration fees.
4. Students may withdraw officially from one or more courses during the first two weeks after the semester begins.
5. Students have to maintain a minimum of 80% attendance for each course. Those who fail to maintain 80% attendance will not be permitted to take the final examination of the course.
6. Students who, due to unforeseen circumstances beyond their control, are unable to take the final examination will obtain the grade I (Incomplete). Students may request a make-up examination within one month after the final examination day, otherwise grade 'F' will be given for the course.
7. Students are required to be active learners. In this regard, assignments such as student projects, student independent studies and reports, etc, must be completed according to the deadlines specified by instructors. In all cases, these assignments are to be completed before the final examination. If this is not possible for a student, due to unforeseen circumstances beyond his/her control, he/she will be allowed to complete the assignments no later than two weeks after the examination date. Failure in this will result in grade 'I' for the course. If there is no submission of assignments within one month after the final examination date, grade 'I' will be automatically transformed to 'F' for that course.
8. Students who have obtained a grade lower than B in any course will have to retake that course. If such course is an elective course, students can take that course again or change to register in other elective courses.

9. Students are required to obtain a cumulative Grade Point Average (GPA) minimum of 3.00.
10. Credits from accredited institutions are transferable. Students are required to have a B grade or above in the transferred courses. The transferred courses must be similar in subject content to the courses offered in the Graduate School of Human Sciences. The completion of the transferred course(s) must not be more than 3 years.
11. Grading criteria:
 

A	=	90 – 100%	C+	=	65 – 69%
A-	=	85 – 89%	C	=	60 – 64%
B+	=	80 – 84%	C-	=	55 – 59%
B	=	75 – 79%	D	=	50 – 54%
B-	=	70 – 74%	F	=	00 – 49%
