Assumption University Anthem

Lyrics by: Thomas Khng

Music by: Lian Sek Lin

Arranged by: Capt. Veeraphan Vawklang

From every corner of the land

We come to pursue truth
For Integrity and progress, we Stand
And learning's sterling worth
Uplifting virtue of mind and hand
With the glory of our youth

We are the salt of glorious earth

No task is too hard to do
For Assumption and the land of our birth
We remain ever loyal and true
For excellence in all realms of effort
We give Assumption its due

*Assumption is

the Light that leads
Our youth to knowledge sure
Ever mindful of all our needs
It brings us to learn-ing's shore
Ennobling our academic deeds
Making our future secure!

(repeat *)

Rules and Regulations for Graduate Programs of Education**Graduate School of Human Sciences Announcement****No. 002/2020****Subject: Rules and Regulations for Graduate Programs of Education**

In order to manage the process of teaching and learning efficiently and effectively, the following rules and regulations are in effect concerning the practices of students and faculty members:

Registration and Courses

1. Registration in each semester: students should register for the courses listed in the plan of study specified for each program in order to graduate within the timeframe. Missed registration for any course will result in waiting for one more year in order to study the course, which will be open in the same semester of every year.
2. Program directors will determine the number of courses students can register for each semester. The program director must sign the registration form as the approval of the registration. A copy of the registration must be submitted to the program director.
3. The Dean will announce the registration period for each semester. Students failing to register within the announced period must pay late registration fees.
4. Students may withdraw officially from one or more courses during the first two weeks after the semester begins.
5. Students have to maintain a minimum of 80% attendance for each course. Those who fail to maintain 80% attendance will not be permitted to take the final examination of the course.
6. Students who, due to unforeseen circumstances beyond their control, are unable to take the final examination will obtain the grade I (Incomplete). Students may request a make-up examination within one month after the final examination day; otherwise, a grade 'F' will be given for the course.
7. Students are required to be active learners. In this regard, assignments such as student projects, student independent studies, reports, etc., must be completed according to the deadlines specified by instructors. These assignments are to be completed before the final examination in all cases. Suppose this is not possible for a student due to unforeseen circumstances beyond their control. In that case, they will be allowed to complete the assignments no later than two weeks after the examination date. Failure in this will result in grade 'I' for the course. If there is no submission of assignments within one month after the final examination date, grade 'I' will be automatically transformed to 'F' for that course.
8. Students who have obtained a grade lower than B in any course will have to retake that course. If such course is an elective course, students can take that course again or change to register in other elective courses.
9. Students must obtain a cumulative Grade Point Average (GPA) minimum of 3.00.
10. Credits from accredited institutions are transferable. Students must have a B grade or above in the transferred courses. The transferred courses must be similar in subject

Rules and Regulations for Graduate Programs of Education

content to the courses offered in the Graduate School of Human Sciences. The completion of the transferred course(s) must not be more than three years.

11. Grading criteria:

A	=	90 – 100%	C+	=	65 – 69%
A-	=	85 – 89%	C	=	60 – 64%
B+	=	80 – 84%	C-	=	55 – 59%
B	=	75 – 79%	D	=	50 – 54%
B-	=	70 – 74%	F	=	00 – 49%
